“ Just wanted you all to know, I'm thinking of you and I'm so very sorry I missed her service. Our security guard told me of her passing just last night. Miss Jean was a very nice Lady who I'm so privileged to call my friend. I live in the building right before her and we had become fast friends. She loved watching all the kids playing and was so good to them all with her cookies and candy! She would give my husband the devil if he didn't back our jeep in because it blocked her view from her kitchen window. So we always made sure we backed it in for her. We were so looking forward to cooler evenings outside where she could be more comfortable in our lawn chairs. I will truly miss our talks, her phonecalls, and our friendship in the making. I hope all of your memories of her bring you peace in the coming days.
