“ I am so sorry for your loss. My contact with Roxie was mostly through reserving a bank window to display EVE Auction items. I wondered where Roxie was this year... What a joyful spirit. RIP Roxie. To her family, keep those good memories close.

“ My sincere sympathy to all of Roxie's family. I had the privilege of knowing Roxie for the 25 years she has worked for Peoples. She was such a special person and one of the most upbeat, energetic souls I know. In her role as receptionist she was the face of Peoples and the first person most people met as they entered the bank.

The Peoples family will miss her dearly and the joy she brought to all who knew her.
