“ I have just learned of the passing of your Mother.. Please accept our condolences but know that she is now at peace and with Bob... We were neighbors for many years and my youngest daughter Rebecca would take our beagle over to have play dates with the first Minnie... I will miss seeing her in the spring working out in the yard in her beautiful flower garden.. She is now in Heaven working on Gods flower garden.. You all are in our thoughts and prayers...

“ I have so many wonderful memories of your family when we lived on Harmar Hill. I first had a tuna salad and potato chip sandwich at your table. Still love them today. Your mother's kitchen always smelled wonderful. She was always nice to us. She will be missed. Beautiful picture, beautiful woman. Hugs and prayers for you all in this time of sorrow.
